MEMORANDUM FOR: DCI Coordinator for Narcotics Control
SUBJECT: Functional Statement for NARCOG

In response to your request for comments on the draft statement you sent to us, we have attached a rewrite which incorporates the changes we suggest. As you will see, most of the changes are relatively minor and are intended primarily to make more explicit the Agency-wide responsibilities of the NARCOG.

FUNCTIONAL STATEMENT FOR NARCOTICS CONTROL GROUP (NARCOG).

The NARCOG is the DCI's mechanism for coordinating the CIA's activities in support of the Cabinet Committee on International Narcotics Control. Under the general supervision of the Deputy Director for Plans and in consultation with the other Deputy Directors, the NARCOG:

1. Coordinates Agency support for the DCI in his role as member of the Cabinet Committee on International Narcotics Control (CCINC) and all matters relating to foreign narcotics intelligence.
2. Provides the DCI's representative on the Working Group of the CCINC; provides or arranges for CIA representation as necessary on the various sub-committees of the CCINC Working Group, and on such other interagency narcotics committees and groups as now exist and may be established.
3. Maintains liaison with White House Staff and other member agencies and departments of the CCINC and coordinates Agency support response to their requirements.
4. Proposes procedures and mechanisms for coordinating intelligence support on international narcotics matters among the Agency Directorates. Provides guidance to the Directorates about CCINC priorities for collection and analysis.
5. Provides staff support and guidance to CS area divisions and other appropriate components with regard to the collection of narcotics intelligence and covert action tasks; serves as coordinator to monitor and exploit international narcotics intelligence operations which transcend the geographic boundaries of an area division; keeps the CI Staff abreast of NARCOG liaison with federal investigative and law enforcement agencies and alerts the CI Staff to CI leads or cases that may emerge from these activities. Arranges for support from other Directorates when necessary.
